

CAMPERSHIP REQUEST APPLICATION

The Aloha Council makes money available for camperships to ensure that needy and deserving Scouts living within the Aloha Council will not be deprived of a summer camp experience for financial reasons. A campership may cover up to one half (early payment) of the Scout's camp fee, as family and unit help is expected. If you need assistance, please submit this application to the Director of Program & Marketing at the Council Service Center. The Campership Request form is due in the Boy Scout office by April 1st for the current camping year. If approved, a confirmation letter will be mailed to the parent and unit leader. Information that appears on this application is kept confidential.

Priority will be given to Scouts submitting for the first and second year. After being awarded a second campership, future camperships will be reviewed on a case by case basis by the Campership Review Committee as funds are limited. Scouts should be participating in unit fundraisers to earn money for their Scout accounts to be used for camp fees. This is important so that the Scout learns to help pay his own way. Contact your son's leader to learn about the fundraiser (i.e. Council Popcom Sale or Makahiki Ticket sales) the unit will be conducting.

The campership will be credited to the unit's total camp fees. **Camperships are NOT TRANSFERABLE.**

If the Scout does not attend camp, the campership is null and void.
