

Camp Honokaia

Camp Honokaia is located on the Island of Hawaii. It is approximately three miles west of Honokaia town on Highway 19, between highway-mile markers 46 and 47. The camp is sited on 238 acres of densely wooded land. There are nine campsites with piped water and latrines. The campsites are surrounded with fragrant white ginger and other exotic greenery. The roadsides are lined with impatiens. Each campsite is large and secluded.

Camping is **jamboree style**. There are two central shower facilities with hot and cold water.

Popular features of the camp include the rifle and archery ranges, the adventure trail, Hawaiiana activities and campfires. It is an ideal location for conservation projects and nature activities. The trading post is well stocked with Scout supplies, craft items, snacks, sodas, etc.

Map of Hwy 19 and Parking Instructions

- Vehicles, including automobiles, trucks, vans, motorcycles, bicycles, etc., are not permitted in the campsites.
- All vehicles must be parked in the designated parking area near the Long House. Only on the first day of camp, will unit equipment be transported to the unit's campsite, one vehicle at a time. Driving off the main road to the campsite or driving onto the campsite is strictly forbidden.
- Your cooperation will help ensure that the campsite will not be rutted by tire tracks. After depositing troop equipment, return all vehicles immediately to the parking area. Always lock and secure your vehicle while it is in the parking area.
- **Once camp is in operation, you must walk-in all of your supplies. Plan it so that the Scouts can help carry the supplies.**
- Only the camp emergency vehicle will be permitted into the camp area. Remember, speed limit in camp is 10 miles per hour! Stay alert for Scouts moving about.
